Jeff Williamson - Inshore: 1pm - 2pm

Chris Dew - Offshore: 1pm - 2pm

Presentation Schedule

10am-11am: Jennifer Banks, Wind Energy Project Coordinator, NCSU
Jennifer will discuss our area's designation as a "wind field" and what that means to the area's fishermen.

11am-11:30am: Capt. Brant unveils "Cash is King" project
Capt. Brant has designed a program that is intended to breathe new life and new money into the 2013 Jolly Mon King Classic

11:30-12:30pm: Richard Neal, owner of the Frying Pan Tower
Richard will discuss the current state of the Tower and near-term plans for the Tower and how they will affect the area's fishermen.

11:30pm-1:30pm: lunch at the Giggling Mackerel
50% OFF all lunches when you turn in your OIFC/NC Sea Grant survey form with your meal invoice.

1pm-1:30pm: 2012 OIFC Year-Round Rodeo Awards Ceremony
Trophies and prizes will be given to all winners of the 2012 OIFC Rodeo.

1:30pm-3:00pm: Michelle Duval, Executive Assistant for Councils
Michelle works directly under Dr. Louis Daniel, Director of NC Marine Fisheries and represents Dr. Daniel on the South Atlantic Fishery Management Council. She will be discussing and answering questions specifically on current management of Sea Bass, Snapper, Grouper, Wahoo and King Mackerel
